WORK EXPERIENCE

Senior UX Writer

AMAZON / 2022–CURRENT

- Principal UX writer for launch of PubTech, Amazon's first supply-side platform—from ideation to MVP in six months
- Key to launch of integrated AI shopping platform, Rufus, and continued iterations focusing on customer use cases in Sponsored Products
- Launched DSA implementation (phase 2), saving Amazon over \$41 billion in fines

Senior Copywriter

NURO / 2021–2022

- Fundamental in leading marketing campaigns from ideation to deployment
- Managed social media strategy, leading to 98% increase in reach and demonstrable brand recognition
- Implemented foundational marketing processes and core strategic documents—such as branding and style guides—that eliminated org silos and increased productivity

Senior Copywriter

METHOD COMMUNICATIONS / 2019–2021

- Led content strategy of agency's first integrated account, from research-based reports to blogs and bylines for thought leadership
- Served as lead writer for Facebook Workplace campaign, garnering coverage in VentureBeat, Fortune, Fast Company, Adweek, and TechCrunch
- Serve as lead writer on accounts such as LiveRamp, Unison, SecureAuth, 1Password, Storj, Lucid, Checkr, Shape Security, and YoungLiving

Content Marketing Manager

SaltStack / 2018

Computer infrastructure and application management software startup, aimed at pivoting the company's initial open-source product into an enterprise solution.

- Headed company rebranding and new website launch, as well as complete content audit and overhaul
- Expanded SaltStack's influence and authority by producing top-tier blog content, white papers, infographics, and videos
- Sourced and managed team of freelance subject matter experts to produce targeted, tech-heavy content

Senior Copywriter

YOUNIQUE / 2016–2018

International beauty company (formerly owned by Coty) with \$1 billion valuation.

- Led content strategy for Saving Lashes, Changing Lives campaign, which grossed \$6 million in one day.
- Conceptualized and led content strategy of company's entry into perfume market
